OFFICE OF PETITIONS

DECLARATION OF ROBERT J. SCHAAP IN SUPPORT OF
SECOND REQUEST TO REVIVE AN ABANDONED PATENT APPLICATION

Mail Stop
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

COMES NOW, ROBERT J. SCHAAP, the attorney for the applicant,
and states and declares as follows:

That it is a common practice in this office to submit an acknowledgment postcard with all documents submitted to the U.S. Patent and Trademark Office. In fact, there is no document submitted to the U.S. Patent and Trademark Office which is not accompanied by an acknowledgment postcard. Usually, a large stack of these postcards are maintained in the office and each have a stamp on the front surface thereof allowing information to be inserted in the boxes of that stamped information. The postcards

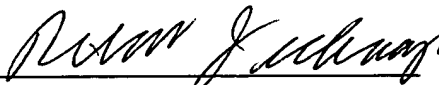

are not dated because they are run through a mailing machine and the U.S. Post Office does not wish for any documents to be pre-dated. Nevertheless, it is so paramount in this office to submit an acknowledgment postcard that even if one concludes a postcard isn't necessary, it is sent automatically.

It is also a practice in this office to date stamp all documents received. A date stamp is used for this purpose. In this respect, all documents received from the U.S. Patent and Trademark Office are so date stamped.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this declaration is directed.

Dated: March 1, 2005

Respectfully submitted,

ROBERT J. SCHAAP
